Questions cover a wide range of skills, from figurative language, to plot, characterization, to prediction and inference, and more. These worksheets are great for extra classroom practice, homework assignments or quizzes (answer keys are included in all worksheet sets). After getting tired of making the same comment over and over, namely, "Quotes must be supported within the paragraph," I realized that I was not doing a very good job of showing that concept, and thus this Google Slides presentation was born. This presentation discusses how to introduce them and support them, formatting block quoPage 20Embedded Questions Grammar Combo Activity Worksheets-ESL Fun Class!Try out our Embedded Questions Grammar Combo Activity Worksheets.
