

Shogun 2 free

I'm not robot!

Windows macOS SteamOS + Linux Minimum: OS: Windows 7 / Vista / XP Processor: 2 GHz Intel Dual Core processor / 2.6 GHz Intel Single Core processor, or AMD equivalent (with SSE2) Memory: 1GB RAM (XP), 2GB RAM (Vista / Windows7) Graphics: 256 MB DirectX 9.0c compatible card (shader model 3) DirectX®: DirectX 9.0c Hard Drive: 32GB free hard disk space Screen Resolution: 1024x768 minimum Recommended: OS: Windows 7 / Vista / XP Processor: 2nd Generation Intel Core i5 processor (or greater), or AMD equivalent Memory: 2GB RAM (XP), 4GB RAM (Vista / Windows7) Graphics: AMD Radeon HD 5000 and 6000 series graphics card or equivalent DirectX 11 compatible card DirectX®: DirectX 9.0c Hard Drive: 32GB free hard disk space Screen Resolution: 1280x1024 minimum OS: macOS 10.14.5 Processor: 1.1 GHz Intel Core M or greater Hard Disk Space: 24GB Graphics: NVIDIA GeForce GT 640M 512MB, AMD Radeon R9 M290, Intel HD Graphics 4000 Hard Disk Space: 24GB Additional Notes: The game is officially supported on the following Macs. To check your Mac model and when it was released, select About This Mac from the Apple menu on your menu bar.* All 13" MacBook Pros released since Mid 2012* All 15" MacBook Pros released since Mid 2012* All 12" MacBooks released since Early 2016* All MacBook Airs since Mid 2012* All Mac minis released since Late 2012* All 21.5" iMacs released since Late 2012* All 27" iMacs released since Late 2012* All 27" iMac Pros released since Late 2017* All Mac Pros released since Late 2013 Players using a version of OS X before 10.14.5 can access a compatible version of the game via the Beta tab in the game's properties window. Select the 'Mac_Retail_1.4' - macOS 10.14.4 or older only' branch for a version that is compatible with 10.9.5 up to 10.14.5. Minimum: OS: Steam OS or Ubuntu 16.04 Processor: 2GHz Memory: 4GB RAM Graphics: 1GB Hard Drive: 26GB HD space Other Requirements: Nvidia 600 series+, AMD 6000 series+, Intel Iris Pro. Driver Details: Nvidia cards Require driver version 375.26 or better. AMD and Intel cards require MESA version 17.0.4 Additional Notes: The system requirements represent the specifications that have been officially tested. Other modern drivers and distributions are expected to work but are not officially supported. Multiplayer Notes: Multiplayer is compatible between Linux versions only In this article: Steam, personal computing, video games, total war, sega, creative assembly, Shogun 2, rts, real-time strategy, thebuyersguide, news, gamingCreative AssemblyTo help people get through the coronavirus pandemic, Sega has decided to give away free copies of Total War: Shogun 2 until May 1st. While it's almost a decade old at this point, Shogun 2 is widely considered one of the best entries in Creative Assembly's Total War series. If you're new to the franchise, it combines top-down empire management with thrilling real-time army battles involving hundreds of individual soldiers — imagine if Civilization and StarCraft had a baby and you're most of the way there. Shogun 2 is an excellent introduction to the series since it's also less complicated than some of its siblings. Just be warned you could end up spending hundreds of hours playing the game. "The past few weeks have presented unimaginable challenges for many of us, but the remarkable collective effort being made by the global community to overcome this moment of adversity has been truly inspirational," the studio wrote on its blog. "With this in mind, we want to continue to encourage you all to stay home and save lives by extending a gift to everyone to help make this difficult situation a little bit easier." To download Shogun 2 for free, all you need to do is install Steam on your computer, add the game to your cart and then finish the transaction. Given that it's a couple of years old now, the game's system requirements are on the modest side and it's available on both PC and Mac. If you already own the game, most of its additional downloadable content is 75 percent off currently as well. All products recommended by Engadget are selected by our editorial team, independent of our parent company. Some of our stories include affiliate links. Total War: Shogun 2 was released on Mar 15, 2011 About The Game In the darkest age of Japan, endless war leaves a country divided. It is the middle of the 16th Century in Feudal Japan. The country, once ruled by a unified government, is now split into many warring clans. Ten legendary warlords strive for supremacy as conspiracies and conflicts wither the empire. Only one will rise above all to win the heart of a nation as the new shogun... The others will die by his sword. Take on the role of one Daimyo, the clan leader, and use military engagements, economics and diplomacy to achieve the ultimate goal: re-unite Japan under his supreme command and become the new Shogun — the undisputed ruler of a pacified nation. Total War: SHOGUN 2 features enhanced full 3D battles via land and sea, which made a name for the series, as well as the tactical campaign map that many refer to as the heart and soul of Total War. Featuring a brand new AI system inspired by the scriptures that influenced Japanese warfare, the millennia old Chinese "Art of War", the Creative Assembly brings the wisdom of Master Sun Tsu to Total War: SHOGUN 2. Analysing this ancient text enabled the Creative Assembly to implement easy to understand yet deep strategic gameplay. How to Download & Install Total War: Shogun 2 Click the Download button below and you should be redirected to UploadHaven. Wait 5 seconds and click on the blue 'download now' button. Now let the download begin and wait for it to finish. Once Total War: Shogun 2 is done downloading, right click the .zip file and click on "Extract to TOTAL WAR SHOGUN 2 + ALL DLC.ZIP" (To do this you must have 7-Zip, which you can get here). Double click inside the Total War: Shogun 2 folder and run the exe application. Have fun and play! Make sure to run the game as administrator and if you get any missing dll errors, look for a Redist or CommonRedist folder and install all the programs in the folder. Total War: Shogun 2 Free Download Click the download button below to start Total War: Shogun 2 Free Download with direct link. It is the full version of the game. Don't forget to run the game as administrator. Total War: Shogun 2 (Complete Edition) Size: 15.50 GB NOTICE: This game is already pre-installed for you, meaning you don't have to install it. If you get any missing dll errors, make sure to look for a _Redist or _CommonRedist folder and install directx, vcredist and all other programs in that folder. You need these programs for the game to run. Look for a 'HOW TO RUN GAME!.txt' file for more help. Also, be sure to right click the exe and always select "Run as administrator" if you're having problems saving the game. Always disable your anti virus before extracting the game to prevent it from deleting the crack files. If you need additional help, click here System Requirements OS: Windows 7 / Vista / XP Processor: 2 GHz Intel Dual Core processor / 2.6 GHz Intel Single Core processor, or AMD equivalent (with SSE2) Memory: 1GB RAM (XP), 2GB RAM (Vista / Windows7) Graphics: 256 MB DirectX 9.0c compatible card (shader model 3) DirectX®: DirectX 9.0c Hard Drive: 32GB free hard disk space Screen Resolution: 1024x768 minimum Screenshots Sega and developer Creative Assembly are offering the classic Total War: Shogun 2 as a free Steam download Monday, April 27 (6:00pm BST/noon central) until Friday, May 1 (same time). Once you download the title, it is yours to keep. During a similar timeframe (April 27-May 4), Creative Assembly is holding a Steam sale of other Total War games. "The past few weeks have presented unimaginable challenges for many of us," the developer wrote on its website, "but the remarkable collective effort being made by the global community to overcome this moment of adversity has been truly inspirational. "With this in mind, we want to continue to encourage you all to stay home and save lives by extending a gift to everyone to help make this difficult situation a little bit easier." For more information on the free-to-keep offer, head over to the official FAQ. [Source: Creative Assembly] (Image credit: Sega) Update: Total War: Shogun 2 is shedding its price on Steam (opens in new tab) today, letting armchair shoguns lead their armies across Japan for free. The offer starts today at 6 pm BST/10 am PT and will conclude at the same time on May 1. If you snatch it up between then, you can keep it forever. Sega's also hosting a Total War sale, starting at the same time. Select historical Total Wars will be discounted, though this lamentably doesn't include the Three Kingdoms or Rome main games or DLC, and obviously the fantastical Warhammer's won't be part of it. Original story: SteamDB keeps a list of upcoming free promotions (opens in new tab) so you can keep abreast of all the free weekends on Steam in advance. It also notes when games will be free-to-keep, which is why we can see that Total War: Shogun 2 will be given away to anyone who grabs it between April 27 and May 1. Shogun 2 is nine years old but it's still my favorite of the historical Total War games, with a perfect map size to feel conquerable without having to throw away hundreds of hours and a theme that breathed life into blocks of troops marching across maps. Just last year Malindy Hetfeld reminisced about how beautiful and ambitious it was (opens in new tab). If you want something free right now, here's a list of what's currently being given away for zero dollars (opens in new tab). This week Ubisoft will be giving away Assassin's Creed 2 (opens in new tab) as well, though that will be through Uplay rather than Steam.
